RE: Alex Price

To Whom It May Concern:

The Tennessee Association of Professional Bail Agents utilizes the in-class presentation of Alex Price as part of our continuing education program. I met Alex while speaking at several association meetings all across the U.S. and was impressed with Alex from day one. Our Association recognizes Alex as one of the best skip-tracers in the recovery industry and would advise all to take advantage of his National Certification Program. Alex has combined the old school skip-tracing with the latest computer technology.

I personally call Alex a friend and would recommend him and his course to all professional bail agents across the country.

Sincerely,

TENNESSEE ASSOCIATION OF  
PROFESSIONAL BAIL AGENTS

Charles W. White, Sr., President

CWW, Sr./jm
